

Get the Medications Right:

Innovations in Team-Based Care

Location: Bipartisan Policy Center • 1225 Eye St NW, Suite 100 • Washington, DC

Date: February 6, 2020

Registration: 8:00 to 8:30 a.m.

Time: 8:30 to 10:30 a.m.

Research has shown that optimizing medication use—ensuring that the right medicine at the right dose is prescribed and used appropriately—can save a substantial number of lives and reduce health care costs in the United States.

Please join the Bipartisan Policy Center and the GTMRx Institute, on February 6, for an event featuring business, policy and health care leaders who are at the forefront of delivery and payment models that support comprehensive medication management services.
